

## Kimble Administration Training

### Empowering customers to unlock the true value of Kimble

Kimble Administration Training allows your business administrators to effectively manage Kimble.

#### Who is it for?

This course is aimed at Salesforce Administrators that are responsible for managing and administering Kimble for their organisation.

Course attendees should complete the Kimble Essentials elearning and the Kimble Foundation training prior to attending.

Attendees should also be familiar with the Kimble Settings resources.

#### What is included?

The course is run by a Kimble expert and consists of topic presentations, demonstrations, and hands-on exercises.

*“This insightful course covered the tasks and functions for Kimble Administrators, from Sales to Period Management.”*

This 4x half-day course will enable you to understand and administer:

- ▶ Resource Management
- ▶ Revenue and Costs Management
- ▶ Application Roles
- ▶ Period Management
- ▶ Delivery Attributes Management
- ▶ Financial Attributes Management
- ▶ Custom Org Settings

*“I now have the tools and knowledge needed to confidently and efficiently manage Kimble.”*

#### How do I attend?
